THREE OF A KIND celebrate "SWING IN SPRING" April 24<sup>th</sup>, 19:30 hrs, 7€ entrance.

Enjoy a new program performed by our Jazz and Blues Trio "Three Of A Kind", covering a wide range of songs by Frank Sinatra and Nat King Cole as well as ZZ Top and Paul Weller.

VLADY NICK started his musical career in his years as a medical doctor in St. Petersburg. He jammed with Duke Ellington's musicians and Andre Previn when they toured Russia. After emigration to Austria he toured and recorded with the "Vienna City Ramblers". Having moved to the U.S. he played with Bob Wilber and Ram Ramirez in Las Vegas, New York and Washington D.C. Luckily he spends his retirement making music in Vienna.

KLAUS MARSCHNER has been performing music for over 20 years and worked with many local musicians. He took part in workshops with Lee Harper and Marc Abrams. His interaction with the audience between and during songs is integral part of a trio program.

PETER RATH rounds up the trio with his strong, swinging double bass. One of the most requested bass players on the local scene, his broad repertoire, musical versatility and the feeling for the right notes at the right time make him the ideal rhythm section member.
